Immerse yourself in ESI's *PMP® Exam Power Prep* and you'll be well on your way to passing PMI's PMP® certification exam. This course is for you if you've met PMI's requirements put forth in the PMP® Credential Application. This intensive, five day course integrates in-depth topic reviews with morning instructor-led lecture and afternoon structured personal study time, including individual assistance from your PMP-certified instructor. You'll thoroughly review exam "trouble spots," use highly effective drills to accelerate your learning, receive invaluable test taking tips, and take and review practice exams.

You'll receive a comprehensive workbook, including drills and practice exams, as well as PMI's *A Guide to the Project Management Body of Knowledge (PMBOK® Guide)*. And, for on-the-go reinforcement, you'll be given *The Portable PMP® Exam Prep: Conversations on Passing the PMP® Exam* CD set.

Take PMI's PMI® certification exam within 60 days of the *PMP® Exam Power Prep* course completion and we'll stand behind your success. Should you fail to pass the exam on your first try, we'll give you free access to the online version of our popular and effective *PMP® Exam Preparation* course to support your additional focused preparation. (You must enroll within 30 days after having taken the PMP® certification exam; you will be given standard course access.)
